

D R A F T : C O N T R I B U T E
S p i r i t u a l / E t h i c a l M i n d
 Grades K-12
 Contribute: to give, in order to help achieve or provide something

	Emerging With help, I am beginning to do this	Developing Sometimes I need help and sometimes I can do this by myself	Applying I can do this on my own
Respectfully contributes to the school and class community	<ul style="list-style-type: none"> • I understand that using kind words and actions are important • I know what respectful behavior looks like • I know what being a leader looks like • With reminders, I work cooperatively with others. Some people are easier to work with than others 	<ul style="list-style-type: none"> • I use kind words and actions • I show respect for myself and others in most situations • I can set a good example of leadership • I work cooperatively when I have some choice 	<ul style="list-style-type: none"> • I use kind words and actions to encourage and/or help others • I behave respectfully in all situations without being reminded • I set a good example of leadership and I encourage others to do the same • I work cooperatively with all people in any situation
Demonstrates local and global citizenship	<ul style="list-style-type: none"> • I know about local community and/or global issues • I can identify ways to help improve the lives of others • I know about activities that take care of the environment 	<ul style="list-style-type: none"> • I take part in events about local community and/or global issues • I participate in organized events that help make the lives of others better • I participate in activities that take care of the environment 	<ul style="list-style-type: none"> • I encourage others to understand the importance of community and/or world events and how they relate to us • I look for ways to help make the lives of others better and I take action • I plan ways to take care of the environment and I encourage others to join me

Please identify one specific item from the rubric above that you would like to develop over the course of this semester:

How will you know if you have been successful? As in, what does success look like to you with regards to this goal?
